

Elementary Opening for 2024-25 School Year

The Hinsdale School District is looking for an energetic and enthusiastic 5th/6th grade teacher for the 2024-25 school year. Our elementary consists of about 33 students PK-6 and is made up of 4 classroom teachers, each teaching two grades starting with PK/K. Our current teacher is moving to HS science next year and will be a fantastic resource for an educator just entering the field. We have a title teacher and two paras to give extra support to our students and teachers in the elementary.

Salary is dependent on experience and is competitive. Veteran teachers may be credited with up to 10 years of previous teaching experience. Our insurance package includes health, dental, eye, and life insurance, with the district covering the amount of the single-rate premium and slightly more for the single+ and family. Employees already covered by insurance may opt to take a salary stipend of \$300 per month. The district has staff housing available for rent and will work with any candidate to find quality housing.

Hinsdale is a Class C school with a K-12 enrollment of 55 students and class sizes that allow teachers to get to know and understand our students' individual needs. High school classes can vary in size from 1 to around 15. The district employs a four-day school week but sometimes utilizes Fridays for additional student support, training, and professional development, all of which staff is paid extra for. We have both coaching and extracurricular advising opportunities available. Our staff also receive a free school lunch with a wonderful salad bar option.

The district promotes a growth mindset and feels professional development should be continuous. Employees who add a certification for the district, become alternatively certified, or participate in valuable professional training will be supported financially through the district.

CREDENTIALS: Must have or be eligible for a Montana Teaching License for elementary grades.

DEADLINE: Application, resume, and transcripts will be accepted immediately. The vacancy will close when a suitable candidate is hired.

Hinsdale is an amazing, rural community nestled between Hwy 2 and the meandering Milk River. We are located 30 minutes west of Glasgow and 35 minutes east of Malta. The community has a proud tradition of farming and ranching. If you enjoy hunting, fishing, rockhounding, fossil hunting, kayaking, or just being in beautiful prairie country, this is the right spot for you. We have a great staff, a supportive community, and an incredible student body. Join our team and become a Raider!
